## Leadership Team Volunteer Information

The SCA Multimedia Club is electing its leadership team for 2025, of up to 13 members, at our Election Meeting on **November 7, 2024**. These leadership positions shall be for a term ending on 12/31/2025.

While we hope that the present team members will run again, we are seeking volunteers to be a part of our Leadership team for 2025.

Please write your name, contact information and SCA# on the space below.

A list of leadership candidates will be emailed 14 days prior to the Election Meeting.

**Your name must be submitted before October 24**, in order to be considered.

If we have more than 13 candidates, election ballots will be also be emailed prior to the meeting and will then need to be submitted in writing to be counted. Otherwise, the vote to elect our new leadership team will be taken by acclimation at the meeting.

**Please note that candidates for the Leadership team should apply individually for the Leadership Team.**

Thank you!
